- Fast and simple installation.
- High performance and guaranteed quality.
 - User-friendly and lightweight.
- Long product life for effortless maintenance.
 - Eco-friendly mercury-free.

Lumi Edge

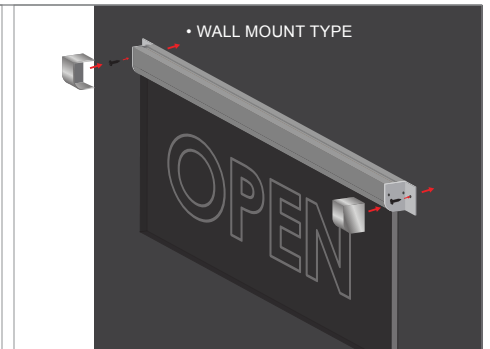

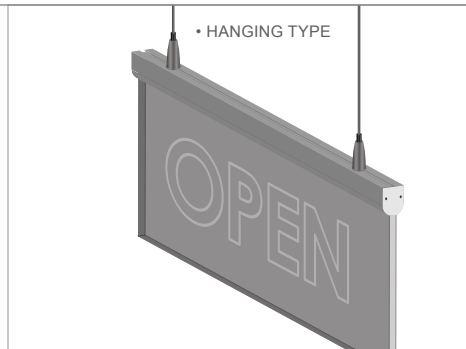

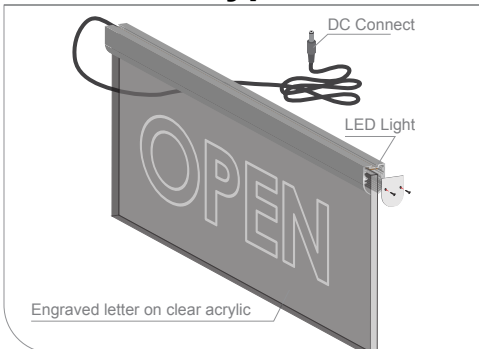

Engraved LED Signs

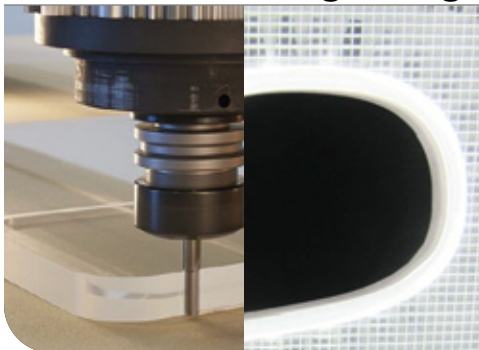

LED Edge-Lit Engraving is specially designed for consumer retail, restaurant menu boards, movie poster displays, jewelry stores, trade shows, office lobbies and conference, hanging from overhead

Installation Type

CNC or L.G.P Engraving & Cutting

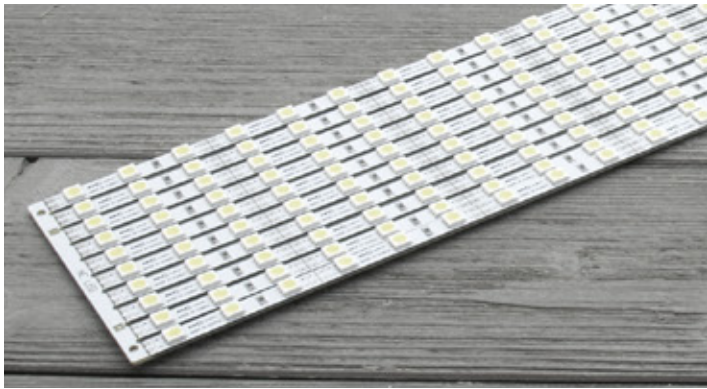

CNC Engraving & Cutting CNC Engraving means computer-controlled engraving.

In this process a text, logo or drawing that has to be engraved is sent from a computer to a milling machine which converts the digital information to engraving motions. By means of milling this information is engraved into the material in the required depth. This process can be applied to different materials and used for many different applications.

Custom L.G.P Light Guide Panel Output of light across the entire surface of the panel.

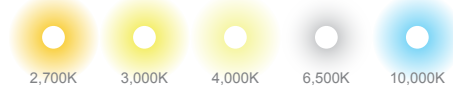

Unlike traditional light panels which have the light source mounted on the exterior of the LGP (Light Guide Plate), NES Light integrates high brightness LEDs and heat sinks into its exclusive 3D V-cutting LGP which makes it possible to produce "frameless", rectangular or custom shaped LED light panels for various application needs. There are no limitations on what can be created with NES Light.

LED Info

LumiStick™ RS 1

- RS1 Series LED Lumi Stick
- Size: L=500mm(19-11/16") x W=6mm(1/4") x T= 5mm(3/16")
- 30Lamps/pcs
- 50cm x 10pcs = 5M/72Watt
- LED Type: L1(Pitch 13.3mm), 4.8watt/ft
- Cutting : 50mm
- Volt : 12vdc
- Lm : 450/Ft
- LED Color: White(2,700k, 3,000k, 4,000k, 6.500k, 10,000k)

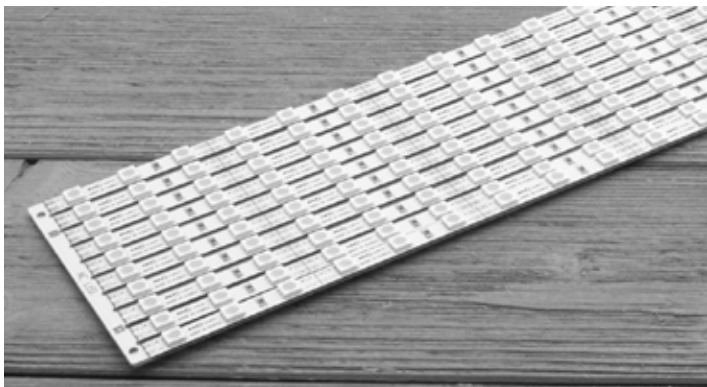

LumiStick™ RS 1 RGB

- RS1 Series LED Lumi Stick
- Size: L=500mm(19 11/16") x W=6mm(1/4") x T= 5mm(3/16")
- 30Lamps/pcs
- 50cm x 10pcs = 5M/72Watt
- LED Type: L1(Pitch 13.3mm), 4.8watt/ft
- Cutting : 50mm
- Volt : 12vdc
- Lm : 450/Ft
- LED Color: RGB change

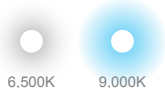

LumiStick™ RS 1 Color

- RS1 Series LED Lumi Stick
- Size: L=500mm(19 11/16") x W=6mm(1/4") x T= 5mm(3/16")
- 30Lamps/pcs
- 50cm x 10pcs = 5M/72Watt
- LED Type: L1(Pitch 13.3mm), 4.8watt/ft
- Cutting : 50mm
- Volt : 12vdc
- Lm : 450/Ft
- LED Color: Red, Green, Blue

LumiStick™ RS 2

- RS2 Series LED Lumi Stick
- Size: L=600mm(23 15/8") x W=6mm(1/4") x T= 5mm(3/16")
- 48Lamps/pcs
- 60cm x 12pcs = 7.2M/138Watt
- LED Type: L1(Pitch 12.5mm), 5.8watt/ft
- Cutting : 37.5mm
- Volt : 12vdc
- Lm : 600/Ft
- LED Color: White(6.000k, 9,000k)
